A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. ACKERMAN:

On page 67, after line 9, insert the following new section:

#### SEC. 501. CONSOLIDATION REPORT.

(A) REPORT.—No agency of the United States Government may be abolished or its functions transferred or consolidated with another such agency pursuant to this division or any other provision of this Act relating to reorganization unless the Director of the Congressional Budget Office and the Director of the Office of Management and Budget independently calculate and submit to the Congress a joint report analyzing the costs and benefits of any such action.

(b) CONTENTS OF REPORT.—The cost/benefit analysis required by subsection (a) shall include, but not be limited to—

(1) An assessment of direct and indirect costs for the first five years associated with the implementation of the provisions of this division or any other provision of this Act relating to reorganization; and

(2) The effects of consolidation on personnel, management systems, real property, decisionmaking processes, administrative costs, and costs associated with terminating, amending, renegotiating, or negotiating existing and new contracts.

(c) FURTHER CONGRESSIONAL ACTION REQUIRED.—Notwithstanding any other provision of this act, if the Director of the Congressional Budget Office and the Director of the Office of Management and Budget either jointly or independently determine and report that the costs associated with the consolidation required by this division or any other provision of this act relating to reorganization exceed the fiscal year 1995 operating costs of the affected agencies, such provisions shall not become effective unless—

(1) the President determines that such consolidation is in the national interest of the United States; or

(2) a joint resolution is enacted specifying that such provisions shall become effective upon enactment of such resolution.
